OBSERVE TO DO - CONFESSION

PRAYER FOR UNCTION

PRIME SCRIPTURE

JOSHUA 1:8

This Book of the Law shall not depart from your mouth, but you shall meditate in it day and night, that you may observe to do according to all that is written in it. For then you will make your way prosperous, and then you will have good success.

PRIME THOUGHTS

IF YOU SAY SOMETHING ENOUGH - YOU WILL BELIEVE IT.

IF YOU BELIEVE IT - YOU CAN HAVE IT.

MEDITATE MEANS TO MUTTER.

DONT THINK ABOUT IT - SPEAK IT.

IF YOU SPEAK IT YOU WILL BE A DOER OF IT AND YOU WILL MANIFEST WHAT YOU ARE SPEAKING.

I was cleaning the bathtub and noticed a wart on my hand. This ugly wart showed up on my hand. I decided put wart medicine on it, and I planned on going to the doctor to get it removed. But the Lord spoke up to me in my heart. He said, "Why don't you believe me for that thing to leave. Then you will have built your faith for the future. Also, your testimony could help other people." I said, "O.K. - it's not something major - so why not practice on it now."

I decided I'd just SPEAK the wart away.

So I prayed the Ephesians 1:17-23 over myself and headed out for the New Testament clinic. So many healing scriptures - that prayer helped me to find mine. I was drawn to Galatians 3:13, which says, "*Christ hath redeemed us from the curse of the law, being made a curse for us....*" Therefore, if we're redeemed from the "curse of the law," I had better head to the Old Testament to find out exactly what the "curse of the law" is. Whatever is listed in the curse of the Law - that means I am redeemed from it.

Please go read the listings in Deuteronomy 28 of what you are redeemed from, and you will see the list has many, many references to healing. The real kicker is that even if you don't find an exact affliction listed there, verse 61 takes care of that too. It takes care of all the leftovers and says, "Also every sickness, and every plague, which is not written in the book of this law...is a part of the curse, (verse 61). That means if you have a sickness, disease or symptom that is "new" or not listed in the Bible - it does not matter. The Word of God plainly states that every sickness, plague and disease is a part of the curse. Therefore, you're redeemed from it, and it has no right to dwell in your body.

You are redeemed!

So I was led to Deuteronomy 28:27 in the New King James Version, "The Lord will strike you with the boils of Egypt, with tumors...." When I looked up the word *tumor* in Webster's Dictionary, it meant "*an abnormal benign new growth of tissue that possesses no physiological function and arises from uncontrolled usually rapid cellular proliferation.*" That sounds wart-like enough for me. Another dictionary said "any kind of tissue growth that differs from the

surrounding tissue.” Yep—again, sounds like Mr. Wart and his job description. Mr. Wart is about to get fired!

I took my Scripture and I began to SPEAK IT IN AN ATTITUDE OF THANKSGIVING AS THOUGH MY MANIFESTATION WAS ALREADY HERE! I RAN MY MOUTH DAY AND NIGHT. I would speak under my breath when I was out and about. I would speak it at home out loud.

I SAID OVER AND OVER IN AN ATTITUDE OF THANKSGIVING, “I THANK YOU FATHER ACCORDING TO GALATIANS 3:13 I AM REDEEMED FROM THE CURSE OF THE LAW. WARTS ARE A PART OF THAT CURSE. THEREFORE, I NO LONGER HAVE WARTS.”

At that time, I was working as a waitress, which made life interesting. Did you know that when you serve to people they look at your hands? Yep, they do. Clean healthy hands are like kind of important when handling people’s meals. That’s not to mention there’s like have an entire governmental department about it— the health department. They’re the people who keep the hair net companies in business despite the fact that the 1950’s style has come and gone.

The funny thing is that as soon as I began to worship the Lord about my healing, *that stupid wart got even bigger.*

What?! Yeah. I mean it got *huge!* The Devil was mad! He knows you’ll become a witness and a testimony to the power and goodness of God. Yikes—he can’t have that! So sometimes when you begin to stand for healing, the symptoms actually get worse. *But—hold your ground!*

So the wart got bigger. Eventually it obtained its own zip code. It developed a gravitational pull, and thus, its own moons—two or three of them, NASA reported. It became so big I began to drag my hand on the ground like an ape.

It got worse again.

Then the thing cracked open and started oozing some kind of clear fluid, which looked like mayonnaise. Make note to self that when you serve food, people only want mayonnaise on their sandwich—not dripping from a waitress’s finger. Customers ran out of the restaurant in terror; small children developed stuttering problems at the memory of it. The wart began to wear a bandanna. It got a tattoo. It joined a gang. It would taunt me all the time, threaten to overtake my entire visage. I think it even got up one night and moved my furniture around. It was mean.

That wart got so big that it began to fascinate me. Because I was speaking the Word - the Holy Ghost was coaching step by step to my victory. This became a science project of God. I experimented using the Word on this thing.

At first it was only a small nuisance, but then all of the sudden it was like the devil threw the kitchen sink at me. Well, let me tell you. The Holy Ghost rose up on the inside of me with a righteous indignation and a boldness that is not my own. I proclaimed, “That’s it!” I don’t care how big this stupid wart gets, I don’t care if it joins a political party and runs for President. I am redeemed from this growth, and it has to go! The peace and joy of the Holy Ghost enveloped me.

I SPOKE MY SCRIPTURE EVEN MORE!
I QUIT LOOKING AT MY HAND. THE MORE I MEDITATED, SPOKE AND MUTTERED MY SCRIPTURE THE LESS I OBSERVED MY HAND. MY MOUTH WAS DETERMINING WHAT MY EYES WOULD BEHOLD. I KEPT MUTTERING, SPEAKING AND MEDITATING WITH MY

MOUTH UNTIL MY EYES FINALLY OBSERVED MY PHYSICAL MANIFESTATION. SPEAKING WITH MY MOUTH HAD AUTHORIZED THE HOLY GHOST - TO DO - TO PERFORM - MY HEALING. JOSHUA 1:8 - LET IT NOT DEPART FROM YOUR MOUTH THAT YOU MAY OBSERVE YOUR MANIFESTED HEALING.

One morning about a week later I woke up. The wart was gone. That which had appeared and tried to overtake my hand was just gone. POOF!
