## Small Prayer Group Protocol

**\*\*\*\*PLEASE TAKE TURNS LEADING OUT EVERY WEEK. KEEP TRACK OF WHOSE TURN IT IS. WE LEARN THINGS WHEN WE FOLLOW AND HELP THE LEADER. WE ALSO LEARN THINGS WHEN WE LEAD OUT. THE SAME PERSON SHOULD NOT BE LEADING EVERY WEEK. EVERYONE MUST TAKE TURNS.**

**Tell everyone to lift their hands and begin to magnify the name of Jesus and scriptures regarding the name of Jesus. This is beginning with worship.**

**One person leads out PRAYING THE EPHESIANS PRAYER, (Ephesians 1:17-23) over everyone REGARDING THE SUBJECT you are assigned.**

*\*Everyone should be lifting their voices praying in tongues while leader is praying in English. Each week a different person should lead out so all have a turn.*

**Pray for 20 - 30 minutes.**

**Pray both in English and in tongues.**

**Be conscious to defer and hook up with others - go back and forth with people.**

**After 20 - 30 minutes - leader needs to begin thanking the Lord for what you have just prayed and for the utterances He granted.**

**COMMAND everyone to lift their hands and begin shouting.**

**Have everyone share what they got IN THIS PRAYER SESSION - BRIEFLY.**

**Update your journal BEFORE YOU LEAVE THE ROOM. Write down what you got - write the date on it.**

*\*No personal prophesy to each other. No laying hands on each other. All prayer must take place on church campus - not in someone's home. A man and a woman may not pray alone together if they are not married to each other. No visitors unless approved by prayer coordinator. Please see visitor form on visitor form tab. No musical instruments. Please adhere to the formats. They are in place for safe, effectual, joyous prayer.*

**HAVE FUN! 😊**
